IN THE HIGH COURT OF JUDICATURE FOR RAJASTHAN
BENCH AT JAIPUR
S.B. Civil Writ Petition No.1517/07
Ramrai Vs. Kana & Ors.

26.09.2007

***Hon'ble Mr. Justice Mohammad Rafiq***

Shri Vijay Kumar Sharma for petitioner.

Heard learned counsel for the petitioner.

The petitioner has challenged the order dated 21.2.2006 whereby the Board of Revenue while rejecting his revision petition has upheld the order dated 13.10.2004 passed by the Revenue Appellate Authority.

The petitioner had filed an application before the Revenue Appellate Authority, Tonk in his appeal for summoning the records of the District Collector, Tonk whereby nature of the

land in dispute was converted from Charag Gah to Sevai Chak. When the application was rejected, he approached the Revenue Board. The Board of Revenue while rejecting the revision petition of the petitioner observed that the Revenue Appellate Authority itself was competent to call for the file of the allotment made to the obsteas of submerges areas of Bisalpur Dam and that the petitioner can apply for and obtain certified copy of the conversion order and produce before the Revenue Appellate Authority and Revenue Appellate Authority if it considers summoning the record thereabout it is always open to it to do so.

Having heard the learned counsel for the petitioner and perused the impugned order, I do not find that the

judgment passed by the Board of Revenue suffers from any such illegality or irregularity which may warrant interference by this Court. It may however observed that the petitioner may apply for obtaining copy of the order and in case he applies, the District Collector shall ensure supply of order by which the nature of the disputed land was converted form chara gah to sevai chak.

With these observations, the writ petition is dismissed.
